Empowering Students, Engaging Employers

## Showcase Your Academic Journey

Discover TUPATH, the ultimate platform to manage and present your academic achievements, connecting you with opportunities and future employers.

Get started

Explore Features →

## Unleash Your Potential

TUPATH offers a suite of tools to help students create compelling profiles, upload achievements, and leverage AI-driven insights.

### Profile Creation

Craft a standout academic profile that highlights your unique skills and experiences.

### Document Uploads

Easily upload and organize your academic documents and certifications.

### Dynamic Form Questionnaires

Receive personalized insights and recommendations through generated questionnaires.

Hi, there, Student One!

We'd like to invite you to have some dinner with us and for an interview.

What do you think??
